NotebookLM

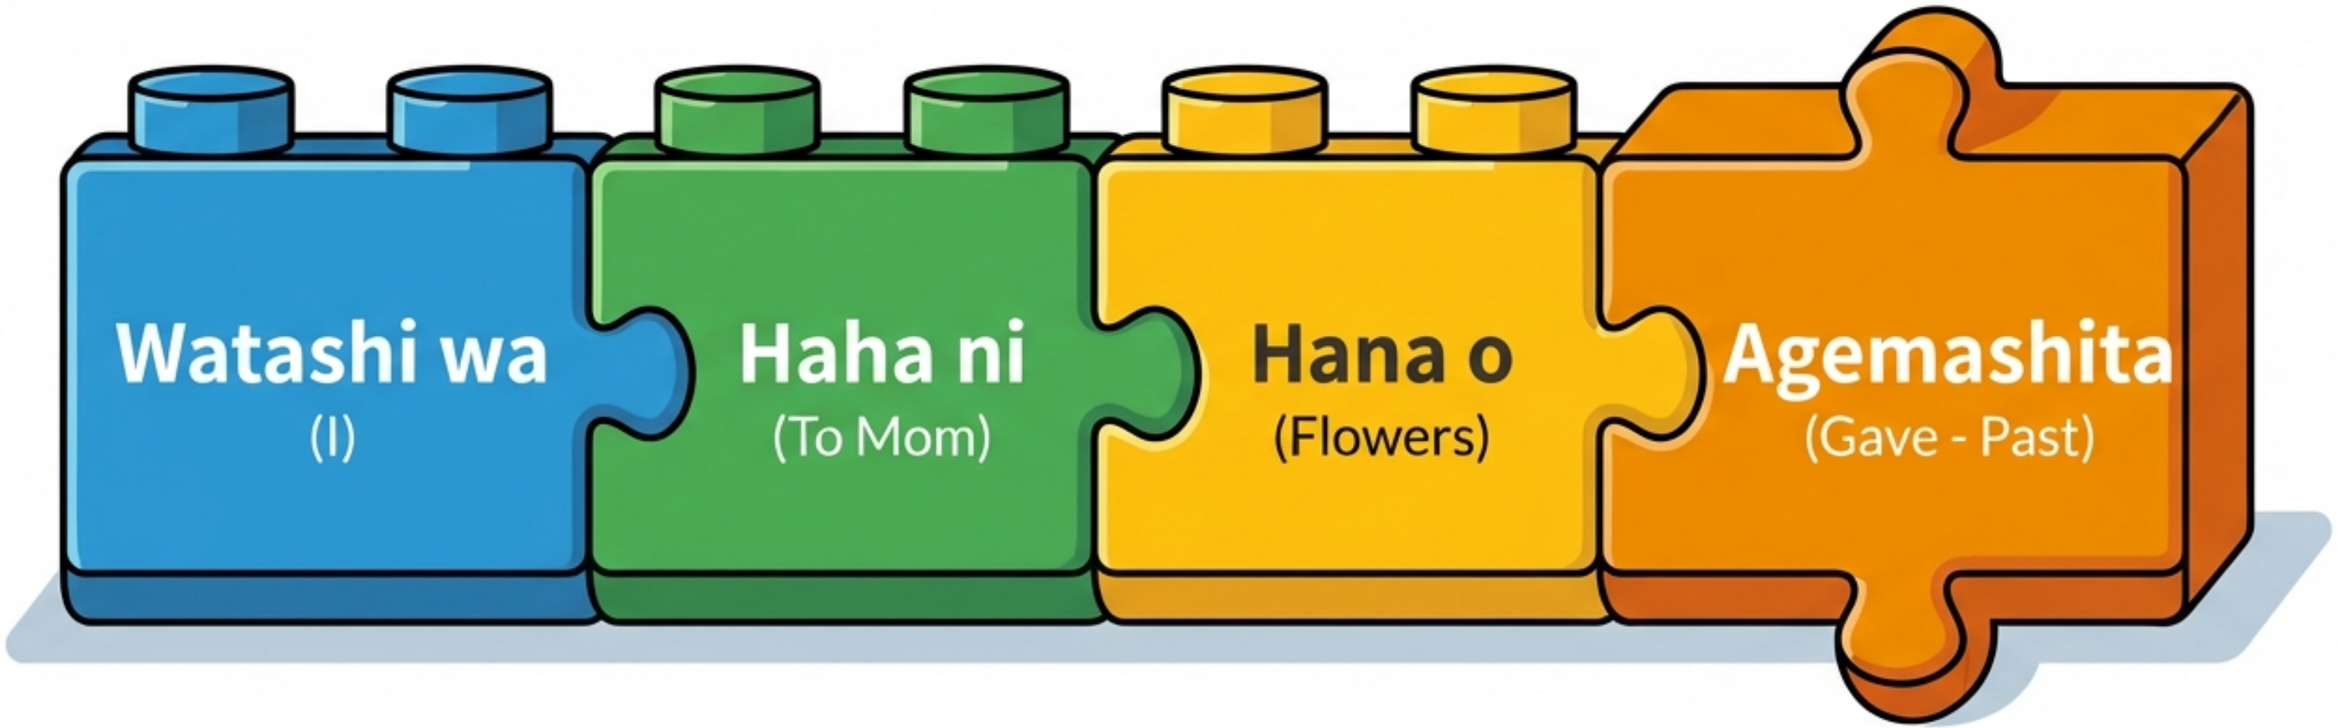
Aim at the Receiver (NI)!

- **Watashi** wa (Giver)
- Tomodachi **NI** (Receiver)
- **Purezento o** (Object)
- **Agemasu** (Action)

NotebookLM

Sentence Build: The Past Tense



私は 母に 花を **あげました。**

(I gave flowers to my mother.)

NotebookLM

Raya's Hack:

You can NEVER use 'Agemasu' if the receiver is YOU.

'Agemasu' pushes away.

If someone gives to YOU, that is a different verb!

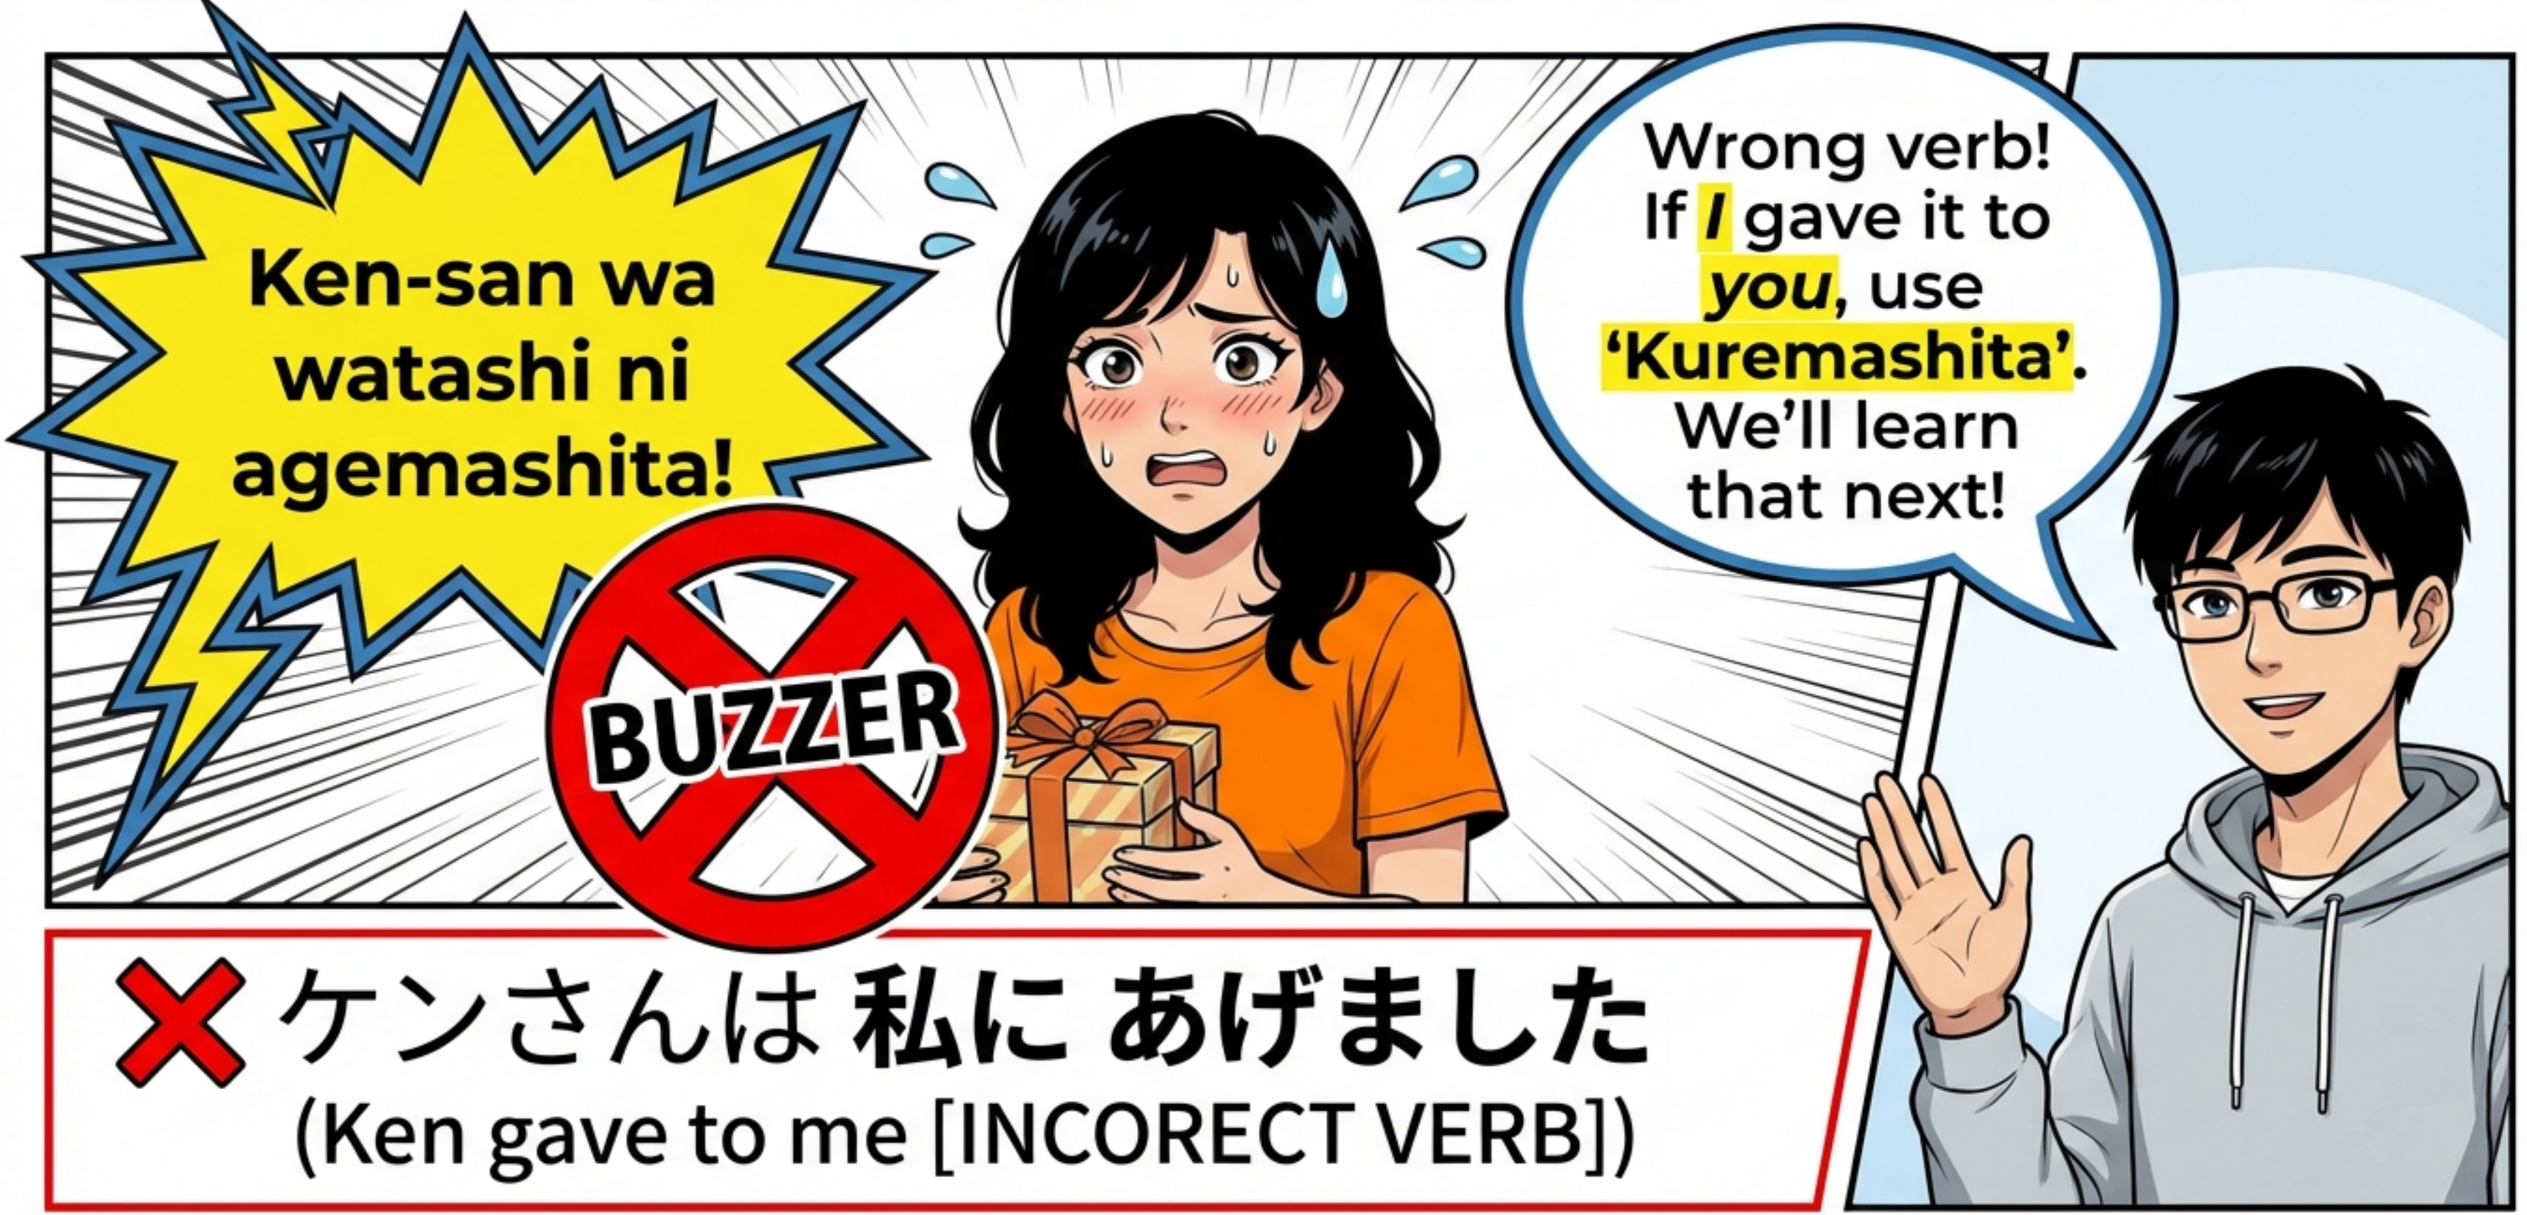
GAME OVER! Common Mistake



✗ケンさんは 私に あげました
(Ken gave to me [INCORECT VERB])
