

Imperative Form / Commands (命令形)

The "Drill Sergeant" Form (強い命令)

For Emergencies & Extreme Orders

CONJUGATION: THE SHOUT MEGAPHONE

[のむ]

SHOUT!

ZAP!

TRANSFORM!

[のめ]!

G1: u → e

[たべる]

POW!

[たべる]

G2: drop る → ろ

The Irregulars (Memorize Immediately!)

Raya's Hack: Signs & Sports!

とまれ
(Stop)

がんばれ
(Do your best)

**In real life, you won't use this on people much.
But you **MUST** know it for reading Japanese
traffic signs and cheering at sports games!**

The Ultimate Mistake

「しゃちょう、やすめ！」
(Boss, REST!)

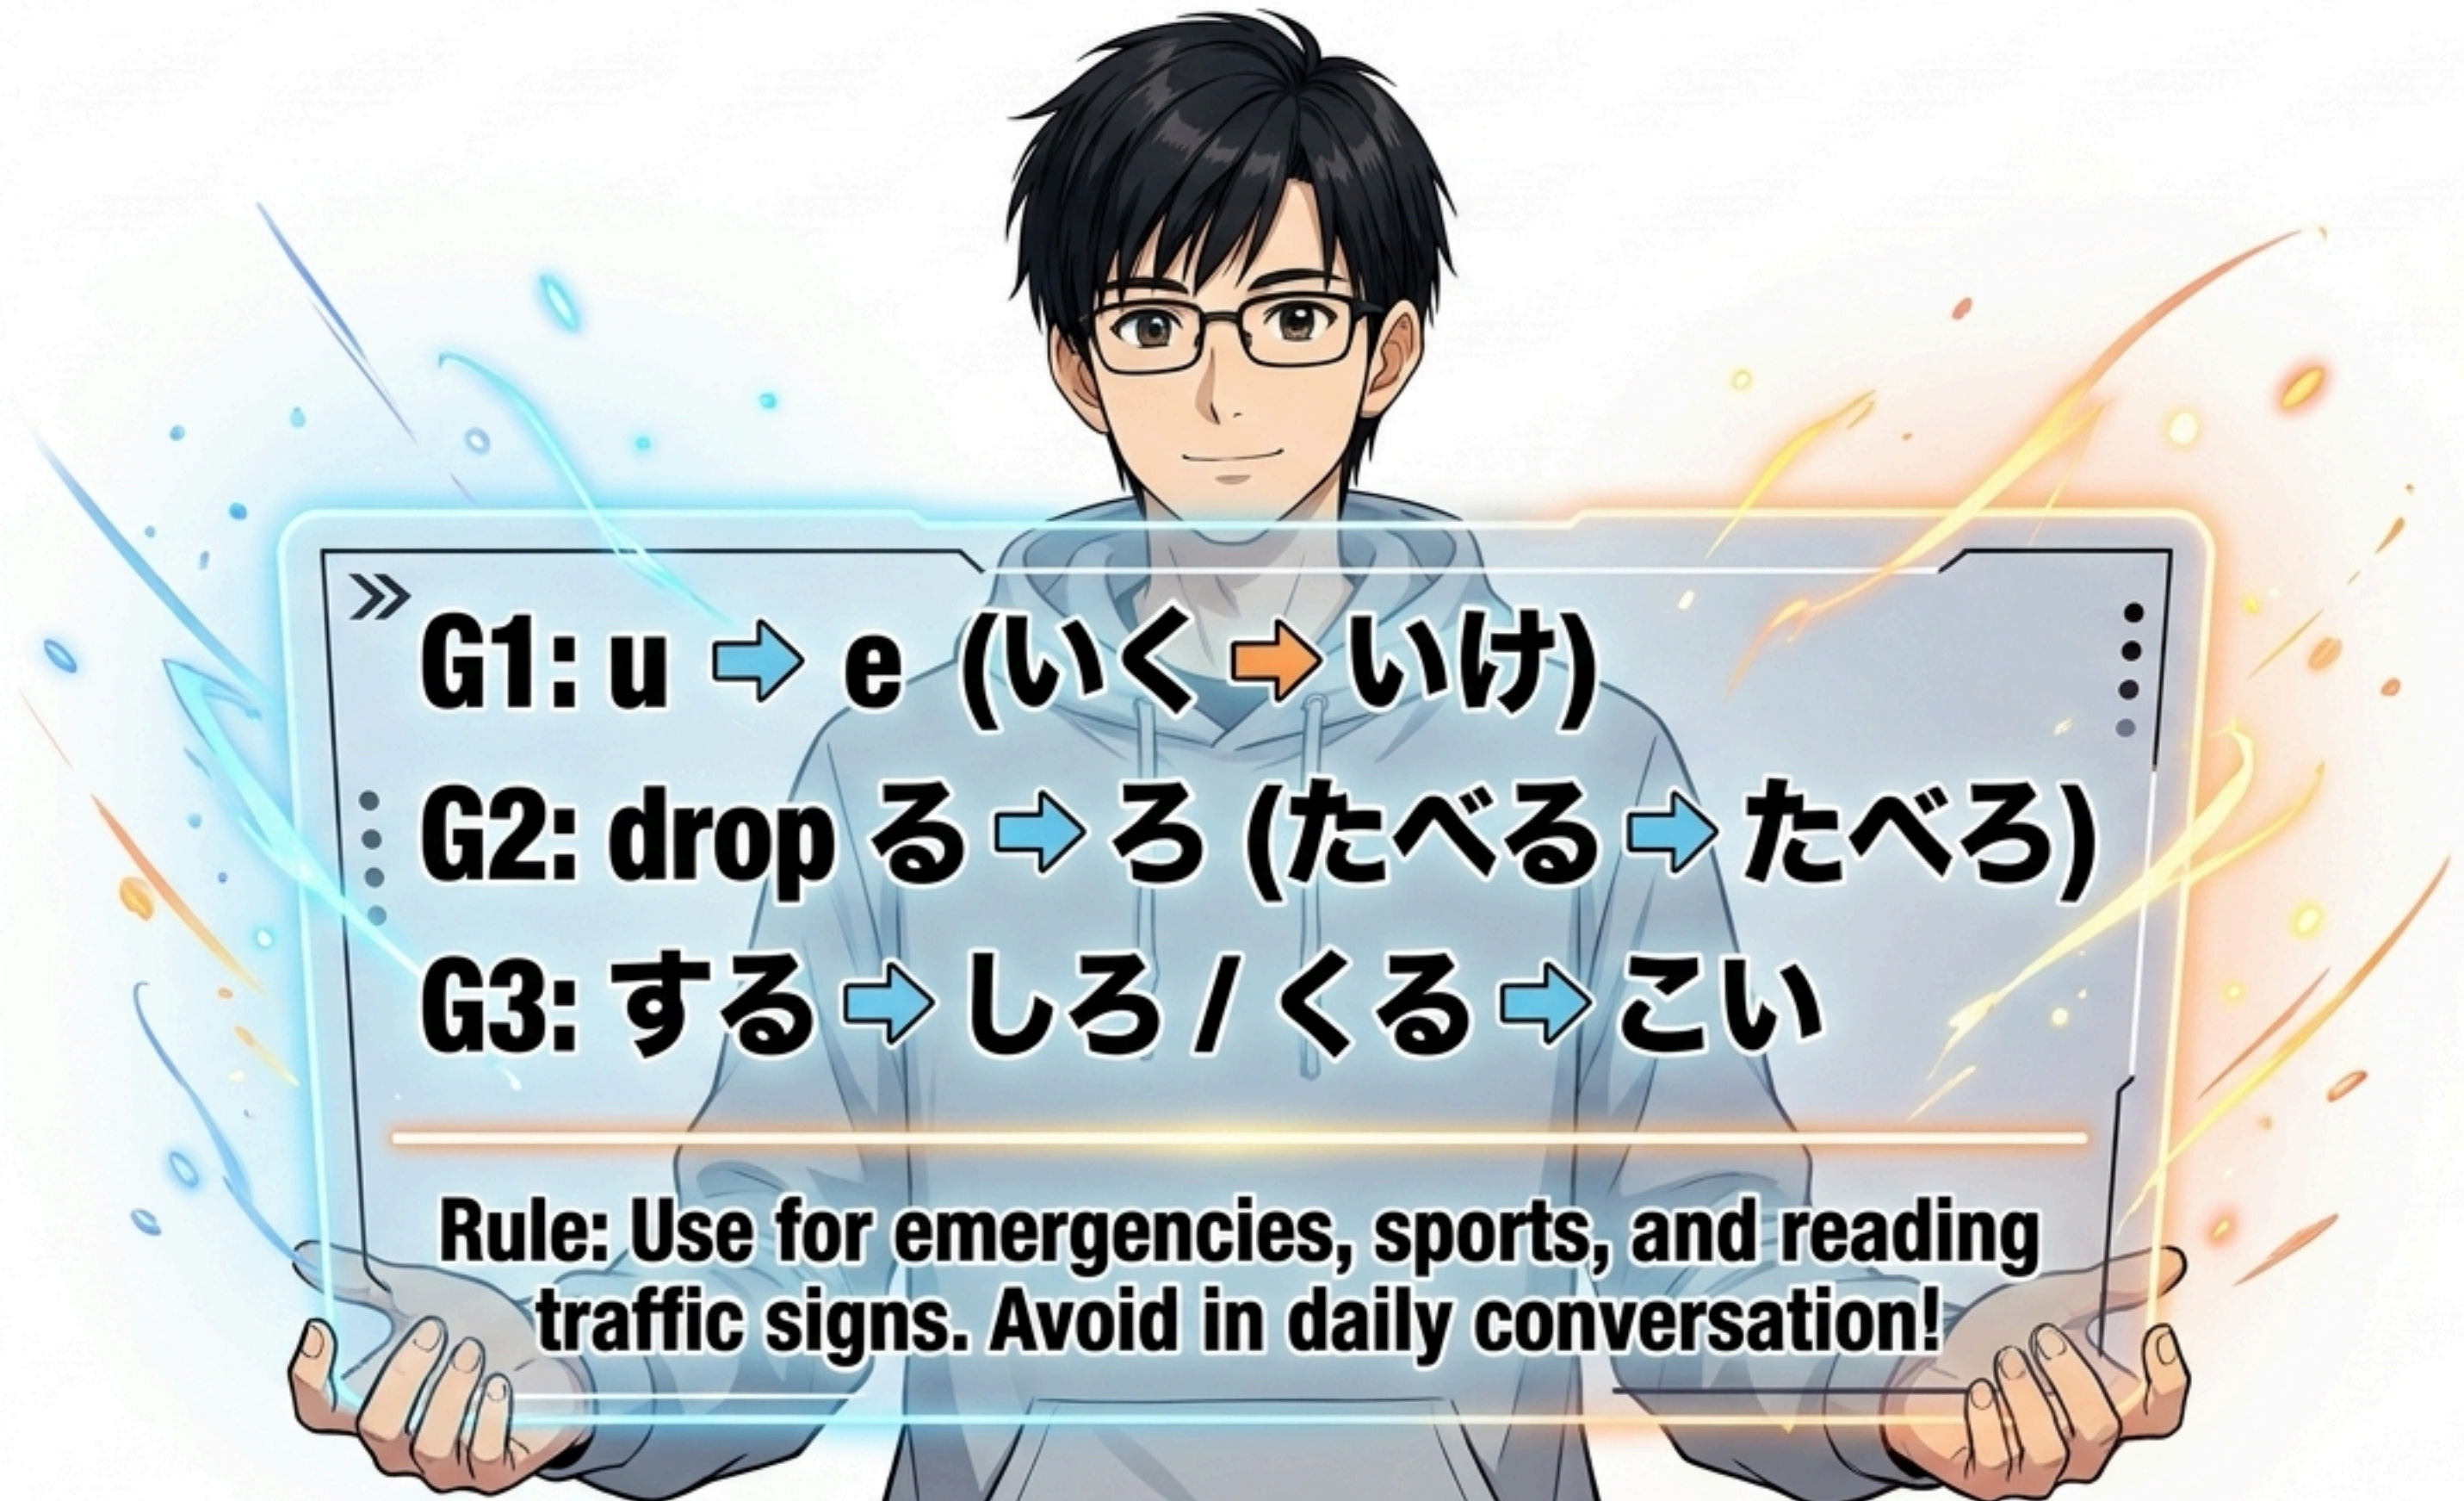

× NEVER use with superiors!

To a boss, this sounds like “Rest, or else!”. It is a massive insult. Always use “yasunde kudasai” instead!

The Command Cheat Sheet

» **G1: u → e (いく → いけ)**
: **G2: drop る → ろ (たべる → たべる)**
G3: する → しる / くる → こい

Rule: Use for emergencies, sports, and reading traffic signs. Avoid in daily conversation!
