

Verb (ます-form) +すぎます

Crossing the Safe Limit
(Too much / Excessively)

The Concept: Going Past the Limit

Whenever you do an action to an extreme or dangerous degree, you attach sugimasu to the verb!

The "Masu Chopper" Rule

Chop off ます.
Attach すぎます.

たべ(ます) → たべ-すぎます (Eat too much)
のみ(ます) → のみ-すぎます (Drink too much)

Building the Sentence

Raya's Hack

Conjugate it like
TABERU! Once you
attach sugimasu, the
whole new word behaves
like a regular Group 2
(Ru-verb)!

Plain: Tabe-sugiru

Past: Tabe-sugimashita

Te-form: Tabe-sugite
(e.g., 'Because I ate too much...')

Don't do this!

「べんきょう します
すぎました!」

○ べんきょう しすぎました (I studied too much).
